[Intro]

GO!!!(*echos*)(Elite!!)

Come on, Crafty Plugz, what (wooo)

GO!!!(*echos*)

What up Amaury, yeah (wooo)

GO!!!(*echos*)

Haha, yeah, let's go, c'mon

[Chorus]

PEEL OFF

If you got a system in the trunk

Shoes on your whip and you rollin up a blunt

PEEL OFF

If you wild, racin for the dough

And the flag hits the floor and they yellin out GO!

PEEL OFF

If you see the pigs on your tail

Knowin if you get locked that you won't make bail

PEEL OFF

Whatchu gonna do

PEEL OFF

[Verse 1]

When I, cruise the strip you know that it's me

Split the crowd in half like Moses did to the seas

0 to 60 in 4 flat, make you look inferior

Funny how my throwback matches the interior

I ain't scared of ya, c'mon let's be serious

Can't catch me I'm "2 Fast 2 Furious" (Part two)

Bullshit walks and cash talks (What's that sound??)

My low pros burnin up the asphalt

Drop top Spyder in the summer I'm good

Lost your words soon as you look under the hood

Twin cam turbo, your man's in shock

Only words comin out your mouth (Damn that's hot!)

Got a spoiler on the back everytime I skate off

You thinkin it's a jet that's about to take off

Cash and pink slips, whole enchilada

Soon as the lights turn green, you know that you gotta

[Chorus]

[Verse 2]

I got a, need for speed, I'm freezin up time

Wanna, race the kid, throw your keys on the line

I'm switchin gears, never brake for the curb

Cross the finish line twice before you make it to third
With a fly ass shorty in the passenger side
One hand on the wheel, one hand on her thigh
Y'all can't see me, peekin through the
